Why Choose Oconee Christian?

- 1 Our Commitment to Christian Education...**Oconee Christian Academy partners with our families and churches to provide a quality college-prep education and to encourage character development and to lead both our students and families to a closer walk with Jesus Christ.
- 2 Our Family Environment with Small Classes...**Oconee Christian Academy's small classes provide teachers the opportunity to give students individualized academic attention, build relationships with each family, and demonstrate love and care for one another.
- 3 Our College-Prep Curriculum...**Oconee Christian Academy's courses are taught with a Biblical foundation, and our curriculum is designed to prepare all students to succeed in college. In elementary school, we teach students the basics of reading, mathematics and social studies, building concepts to foster thinking as they move through middle and high school ensuring that each is ready to advance to higher education. Our dual enrollment courses give high school students a head-start with college credit opportunities. We are fully accredited by the Association of Christian Schools International and AdvanceEd.
- 4 Our Faculty...**Oconee Christian Academy's teachers are among the finest and most qualified educators in the area. Our teachers are committed to educating our students through a strong academic program, while building relationships with the students and families. They both challenge and encourage our students to develop academically, spiritually and socially, creating a family environment which provides opportunities to minister to both students and their families.
- 5 Our Leadership Development...**Oconee Christian Academy develops students to be leaders in our school and in the community. Our small size provides many opportunities for leadership as older students mentor younger ones, and as we teach our students to minister to our community through service projects.
- 6 Our Arts Program...**Oconee Christian Academy understands the importance of encouraging students to develop their God-given talents and we provide opportunities for them to participate in visual arts, music and drama programs and productions. Our student praise team leads worship at our chapel, and in a number of area churches, and our drama students perform in a large production each year. Students also take art classes as part of our curriculum.
- 7 Our Athletic Program...**Oconee Christian Academy is a member of the South Carolina Association of Christian Schools (SCACS). We compete in the Piedmont Division 2A, and field teams in baseball, basketball, cross country, golf, soccer, and volleyball.
