DRIVING GUIDELINES

Anyone driving on school property is expected *not* to exceed 10 mph, exercising caution especially when approaching or departing loading/unloading areas. **Do not leave your car unattended** in those areas. If you need to go inside the building, you should park in a **designated parking space**. Do not block the flow of traffic by parking in the line of traffic.

High school students who drive their own vehicles to school must register with this completed form and follow the rules below in order to have driving privileges:

- Parking in any unauthorized area may result in a \$25.00 fine. Students are not allowed to park in the faculty/staff parking area. Second offenders will be referred to administration and may lose parking privileges.
- Cars must follow the proper entrance and exit routes when entering or leaving school property.
- Speeding (above 10 MPH) and/or reckless driving in any form will not be tolerated on the OCA campus or on the street leading directly to campus.
- Students are not allowed to sit in parked cars or congregate in the parking lot before or after school.
- Students will not be allowed to drive their cars during the school day without special permission from their parents and the administration.
- Students may not go to their cars during the school day without permission from a school administrator. Students must sign out and sign in when allowed by an administrator to go to their cars during the school day.
- No other student may ride with a student driver away from school without prior written permission from both sets of parents and the administration.
- Student drivers may not carry student passengers when driving to school sponsored field trips without authorization from the school and parental permission for all students in the vehicle.
- Volume on automobile sound systems must be kept low enough so as not to be heard outside the vehicle.
- Students who drive to school and need to check out prior to the end of the school day must bring a note from home indicating parental approval. In the case of illness, the office will call parents to secure permission for the student to sign out.

****Note**** Violation of any of the above regulations may result in fines of no less than \$25.00 and/or loss of driving privileges.
